Dear Anandji ,

Thank you ever so much for your generous donation of Rs. 1,04,404/- (Rs. One lakh four thousand four hundred and four only) for purchase of (4) Laptops for the teachers of Samarth Vidya Mandir- inclusive co-ed school being owned and run by Helpers Of The Handicapped, Kolhapur since June 2000. This will help us in our endeavour of providing quality education with a social commitment. Almost all of our (550+) school students are from villages and many of them are from economically weaker section. Apart from students with severe physical disability, we have students from socially disadvantaged Phase Paradhi community, many of them being first generation learners. Because of this, we have a sizable no. of (135) students who need remedial support.

In response to our appeal, the *young volunteers* have very kindly and quite promptly arranged a donation which has enabled us to purchase (4) laptops for our teachers. We enclose Tax Invoice and Stamped Receipt for Rs. 1,19,000/- (Rs. One lakh nineteen thousand only) of M/s Computech Systems. Your vital support will facilitate us in empowerment of physically challenged and disadvantaged children through integration and rehabilitation with effective use of technology. The (4) beneficiary teachers have thanked you and we shall send their thanks letters along with their action photographs with YVO supported laptops by email separately by tomorrow. We thank you for your engagement on behalf of our organization and also on behalf of our less fortunate children.
